## BOEKELL'S BIG BLUE BUGGY UPDATE

Currently \$13,100 has come in from individuals and churches. The Boekells have set aside \$6,000 for the car. We are asking God to provide at least \$20,000 for a down payment so that we can afford the monthly payments.

Please pray God will lead us to a new car or good used car with low mileage. Thank you to each of you who have prayed and given to help purchase this car.

## CEF MINISTRY PARTNERSHIPS

We are so grateful to the Lord for providing ministry support through a donor who has increased their giving and a new donor. We are inching closer to full support.

The part-time Administrative Assistant position has received a new donor also. The need for this position is \$758/monthly. God is at work in providing the need.

As God blesses you would you give prayerful consideration in becoming a financial partner. The benefits are the souls of children being saved and living in heaven for eternity. Thank you for your prayerful consideration.

## BOEKELL'S BURDENS AND BLESSINGS

What a blessing to gather together as a family! These times are always special! There is lots of laughter, encouragement and yes, burdens to share. We have celebrated birthdays and holidays; each one unique and precious!

We had a special time visiting with Harry's sister and husband. Many of the family were able to make the trip to White Haven, PA. Cousins and their children were able to connect again. A precious time was enjoyed.

Ginger is planning to get her Masters. Paul has a heart to plant a church.

We are preparing to hand over the position of CEF of WV State Director to John Camp, CEF local Director New River Area Chapter.

The time line of this move is still flexible, as John is looking for his replacement. We have requested of the CEF of WV State Board that we would be able to minister under John's leadership and help where needed. We are seeking God's leadership in these matters. Please pray with us as we go on this journey with God.

### A CARPORT AND PARKING LOTS

What does a carport and parking lots have to do with CEF summer ministries? These locations were where boys and girls gathered to participate in 5-Day Club® ministry, an hour-long program that includes singing, memory verse time, missionary story, Bible lesson and lots of fun.

Many churches were not able to have their Vacation Bible Schools. CEF helped churches this summer minister to the children by having a 5-Day Club on the church parking lots. Many children heard the message of salvation clearly taught and were given the opportunity to trust in Jesus Christ for salvation.

A pastor and his family hosted a 5-Day Club under their carport. During the club a brother and sister placed their trust in Jesus Christ for salvation. A mother who had brought her child to the club got so excited, she wanted to host a club at her home two weeks later. God is on the move!
